MAKING APPROPRIATIONS FOR THE DEPARTMENT OF
TRANSPORTATION AND RELATED AGENCIES FOR THE
FISCAL YEAR ENDING SEPTEMBER 30, 2002, AND FOR
OTHER PURPOSES

TITLE I
DEPARTMENT OF TRANSPORTATION
OFFICE OF THE SECRETARY

South Capitol Gateway. The Secretary, in cooperation with the District of Columbia Department of Transportation, the District of Columbia National Capital Revitalization Corporation, and the Department of the Interior and in consultation with the National Capital Planning Commission and other interested parties, shall conduct a study of methods to make improvements to promote commercial, recreational, and residential activities and to improve pedestrian and vehicular access on South Capitol Street and the Frederick Douglass Bridge between Independence Avenue and the Suitland Parkway, and on New Jersey Avenue between Independence Avenue and M Street Southeast in Washington, DC. Not later than September 20, 2003, the Secretary shall transmit to the House and Senate Committees on Appropriations a report containing the results of the study with an assessment of the impacts (including environmental, aesthetic, economic, and historical impacts) associated with the implementation of each of the methods examined under the study.
